Isabelle Rebosura	Ntr Dame	7	362	117.90	51.7	16.84

Diff Rate: Differential Rate: Each player's rate from each match added together
 Differential Formula: Take the players nine hole score and subtract one-half of the course rating. (One-half because it is only a NINE hole score.) Next, you multiply that result by a fixed value (113) divided by the slope of the course.
