Ryan Forsyth	VllyChr	3	129	22.11	43.0	7.37

Diff Rate: Differential Rate Each player's rate from each match added together
 Differential Formula: Take the players nine hole score and subtract one-half of the course rating. (One-half because it is only a NINE hole score. Next, you multiply that result by a fixed value (113) divided by the slope of the course.
